

The Eric Lange Skilled Trades Scholarship

\$1500

This scholarship is made possible through the generous gift from Roger and Cathy Lange to support the advancement of skilled trades training by honoring the memory of their son Eric, a graduate of Franklin High School, who made his career in the skilled trades.

This scholarship is to assist a graduating Franklin High School senior who will continue their education in the skilled or vocational trades training/certification immediately following their high school graduation.

Students who are interested in applying for this scholarship must be nominated by a teacher to be considered for an interview by the selection committee. Students will then be interviewed in April for this opportunity.
