Dear Friend of the Franklin Educational Foundation,

We are pleased to announce that the Franklin Educational Foundation will host our **"Tee Up for Education" golf outing and auction fundraiser on Friday, June 16, 2023.** Once again, this event will host many business and community members enjoying a day on the links, on-course games, auctions, a raffle and a luncheon at Oakwood Park Golf Course in Franklin.

This event will serve as our primary source to fund scholarships, emergency student funds, and classroom grants for the upcoming school year. With the support received in 2022, here are just a few of the items we were able to support:

- A CNC Lathe for the High School Manufacturing department
- An AED defibrillator for the FHS Transitional Services Apartment
- A Water Laser (WAZER) for the High School Fabrication Lab
- New plasma screens for all elementary school gymnasiums
- Support for high school teams and groups to attend national competitions
- District-wide Student Emergency Funding
- Buildable drones for FHS math coding class
- New books for elementary classrooms
- Excellent Teacher Awards
- Student Scholarships

We hope to raise over \$30,000 through this popular event. Would you consider lending your financial or in-kind support through a sponsorship or donations of auction items?

For questions regarding sponsorships or donations, please contact our Executive Director, Vicky Cordani, at Foundation@franklin.k12.wi.us or by office phone at 414-525-7650.

Our tax ID number is 39-1862024. We kindly request all donations be submitted by May 1, 2023. Registration can also be completed online at **FranklinEducationalFoundation.org** under our "Golf" link.

Looking forward to your partnership,

Robert Beckmann
Golf Committee Co-Chair

Jeff Lancioni
