

Technical / Trades Scholarship

\$1500

This award will be given to a graduating senior who plans to pursue a career in the skilled or vocational trades.

To nominate a student, please submit their name and contact information to the Franklin Educational Foundation by **MARCH 18, 2022**.

We will contact nominated students. Those interested will complete a brief form. Representatives of the Educational Foundation will interview students individually at the high school in April.

Winner will be announced at senior awards night.
